

Welcome to Beanfield

Congratulations on your new condo at Aqualina!

Beanfield is excited to be a part of helping make your new condo feel even more like home.

Enjoy Beanfield's 1Gigabit Unlimited Fibre Internet, already included in your home's maintenance fees. Our fibre Internet is direct to your suite and provides symmetrical speeds. Even better, your usage is unlimited!

Please register to begin using your Beanfield Internet services at www.beanfield.com/aqualina

Beanfield TV is also available at Aqualina. With our various theme packs and a la carte channels, you'll easily be able to find what is right for you.

Get 80+ channels starting at only \$45/mo with our Essentials package (see reverse for details).

We Are Beanfield!

Every day more and more Torontonians are choosing Beanfield.

We own, install and operate our fibre optic network.

We are local. Located in nearby Liberty Village, our team is always available to answer your questions, or provide service support if ever needed. We pride ourselves on our exceptional services and dedicated customer service.
