Current as of September 27, 2022. Available to new residential customers in select dwellings in Ontario, who receive this letter, where technology, access and eligibility permit. Other restrictions apply. Subject to change without notice. **Fibe Internet:** Modem rental included. Total download speed up to 1.5 Gbps. Upload speed up to 740 Mbps. A wired connection and at least one additional wired or wireless connection are required to obtain total download speed. Maximum upload speed can only be obtained on a wired connection. Speeds on the Internet may vary with your configuration, Internet traffic, server, environmental conditions, simultaneous use of Fibe TV (if applicable) or other factors. **(1)** Preferred Building pricing is based on continued subscription to Gigabit Fibe 1.5 Internet at the current price less 100% credit ($110/mo., less 100% credit = $0/mo.). The current price is subject to increase during your subscription. The Preferred Building credit is available as long as your services and your building are eligible and may be changed/terminated at any time. The current monthly price will apply thereafter. Any change made to services may result in the loss of credits or promotions, as eligibility conditions may vary. **(2)** Based on a third-party score (Global Wireless Solutions OneScore™) calculated using wireless network testing in Canada against other national wireless networks. See Bell.ca/network. The BELL and FIBE trademarks are owned by Bell Canada. All other trademarks are owned or used under license by Bell Canada or one of its subsidiaries.
