CondoControlCentral
The really smart way to run your condo.™

Welcome
to Condo Control Central

What is Condo Control Central?

It's a communication tool for residents to connect with Property Management and the Board.

What's in it for you?

Condo Control Central provides residents with the convenience of seamless communication, a means to be heard and freedom to access important features within the condo.

Key Features for Residents

- **Service Requests:** Residents can send service requests, ask questions, post comments or voice concerns to property management.
- **File Library:** Important documents such as declarations, rules, newsletters, downloadable forms etc. are all stored here for easy retrieval.
- **Amenity Booking:** Book from anywhere, anytime, and from the convenience of your mobile device.
- **Visitor Parking:** Book parking for your guests and print a parking permit for them.

How Do I Get Started?

Register by going to our resident portal. (https://condocontrolcentral.com/welcome).

Need Help?

Go to http://www.condocontrolcentral.com/contact-us/ and reach us by **phone** or **email** and our support team will be happy to help.

Mobile App

Scan the QR code to download our app! It allows you to receive announcements, make service requests, and book amenities; all from your mobile device.

Download on the App Store
